

Korfball in Dresden

**This wonderful view makes you feel alright
after a long journey!**

**Come to Dresden and have a nice weekend in
and outside the sportshall.**

8th Korfball - Cup of Dresden

Last year we had to cancel the Korfball-Cup of Dresden because of some other Korfball events at the same weekend. Hopefully we found a better date this year.

We are looking forward to our tournament, because it is a big event for us. We hope to see happy players and many smiling faces at the tournament. We would like to welcome many korfball players and their fans, mascotts and coaches in Dresden.

The tournament will take place on 20th and 21th of November 2004. Your arrival is possible on friday evening, the 19th (at 10 p.m.). On Saturday the teams will play for the best position in their group. And on Sunday they will play for the best ranking. We hope to see many exciting and fair korfball games!!! Fun is the most important word at the weekend. Because of this we are organizing a nice party for all players, coaches and fans. Hopefully there will play many nationalities against each other and have a nice time together on the Saturday night party.

20. and 21. November 2004

Our korfbal – kids (from 6 to 13 years) would be happy, if some children of your club also came to our tournament in order to play against our kids. They didn't play against another team before, because there are no other teams near Dresden.

If the journey is too long for 2 days indoor Korfbal, we will organize an accommodation and a city sightseeing tour for you around the weekend.

If you are interested to get more information about our tournament, don't hesitate to contact us (till 7th of November 2004):
