

# 10. Dresden Korfball - Cup

11. / 12. November 2006

Come with your team to Dresden and enjoy a wonderful weekend in- and outside the gym.

Who would have guessed?! 10 years ago almost noone believed that Korfball would have a chance to establish in Dresden. 3 teams participated in the 1<sup>st</sup> Dresden Korfball-Cup. Year after year more teams were joining the annual Korfball event in the beautiful "Elbflorenz". With 10 teams taking part last year, we were about to reach the limit of our capacity. We hope that this year's Korfball-Cup will be again attended by many teams from Hungary, Czech Republic, the Netherlands and Germany who all like coming to Dresden.

This year the tournament will be on Carnival weekend on 11<sup>th</sup> and 12<sup>th</sup> November 2006. Accordingly you can probably imagine it already..., the party-motto will be: "**I am different!**" You can dress yourself as a hula-hula-dancer, a seventies-fan, a devil or men can just wear skirts. The main thing is: You look different from the others!

While the Korfball-teams will challenge for the group winners on Saturday, the tournament-Sunday will be used to determine the final placings (till about 3 p.m.). We are looking forward to exciting and fair Korfball-games!!! Since fun has the main priority in the tournament, we hope that all participants will celebrate with us our traditional Korfballparty on Saturday-night. Hopefully once again many different nationalities will play and celebrate together.

In case your journey should be too far for only 2 days of Korfball, we would be pleased to arrange accommodations during the time around the tournament weekend and a guided City tour through the historical „Elbflorenz“ Dresden.

Please notice that it is not possible to enter the gym before 10 p.m. on Friday night 10<sup>th</sup> November. However, you can leave your luggage earlier in our office room. We are also happy to provide you with tips on how to spend a wonderful Friday evening in Dresden!

We are really looking forward to the tournament weekend and hope you like to join the anniversary-tournament and come to Dresden. If you are interested and for more details please contact:
